BAÑOS TRAILS: ANDES, WATERFALLS & ADVENTURE

Day 1 (-/L/D)

Embark on this adventurous journey with a hotel pick-up and picturesque drive south from Quito. The “Avenue of Volcanoes” welcomes you with its magnificent peaks and fantastic mountainous scenery.

Along the way, catch sight of Andean giants like Cotopaxi, Illinizas and Tungurahua, providing the perfect introduction for this two-day exploration. Enjoy a delightful snack en route.

Upon reaching the enchanting region of Baños, experience the thrill of visiting two of the impressive nearby waterfalls: the awe-inspiring *Devil’s Cauldron* and the beautiful *Mantle of the Bride* (Pailon del Diablo & Manto de la Novia).

Located right by the Amazon Rainforest and the Andes, the cascading rivers compress into narrow channels before plummeting off the mountain ledge, offering a breathtaking spectacle. Feel the sheer wonder of these waterfalls, whether standing beside them or observing from the viewpoints along the paths.

Next, a fantastic vantage point allows you to admire the lush valley and hills, framed by the majestic Tungurahua volcano. *Mano de la Pachamama* (Mother’s nature hand) stands as a remarkable monument emerging from the mountains and providing a unique spot to capture the Andes’ beauty. Nearby, at approximately 8,530 ft above sea level, discover the famous treehouse with its two swings –an ideal opportunity for that iconic “swing at the end of the world” moment in photos or video.

Following this invigorating visit, savor a delicious lunch in the town of Baños. This is the perfect time to relax and plan tomorrow's adventure with your guide's expert advice. Then enjoy leisure time exploring Baños' charming streets, visiting local souvenir shops, or tasting the delightful "melcocha" -a taffy-like treat made from whole cane sugar. Dinner will be served at your hotel/inn.

Day 2 (B/BL/-)

After a restful night and breakfast, your adventure continues with today's chosen exhilarating activity.

Baños, renowned for adventure sports and natural settings, promises a memorable, safe and thrilling day. Select from an array of activities such as canyoning, water rafting, mountain biking, horseback riding, canyoning (zip lining), trekking, etc.

For an added thrill, consider an optional hour's drive on an ATV or Quad on the outskirts of town (additional cost applies).

Lunch will be served in a local venue, providing the perfect farewell to Baños and concluding this incredible tour. Transfer back to your hotel in Quito. End of services.
