

SCENIC GUAYAQUIL TOUR

Half Day Tour in Guayaquil

Also known as 'The Pearl of the Pacific,' Guayaquil is a bustling city rich in culture and a blend of modern and colonial architecture. As the largest and one of the oldest cities in Ecuador, it captivates visitors with its historic district, fantastic heritage sites like Santa Ana Hill, and the modern boardwalk, Malecón 2000. Additionally, the city still showcases remnants of fortifications that once protected it from pirate attacks.

SCENIC GUAYAQUIL TOUR

Today's adventure begins with a hotel pick-up, followed by a journey through Avenida 9 de Octubre, the city's largest avenue, where you can admire many important buildings and plazas, including Parque Centenario and the Liberty Column monument.

The first stop of the tour will take you to the city's Cathedral and Parque Seminario, informally known as 'Iguana's Park' due to the countless local iguanas lounging around. Take a moment to relax and observe the daily life of Guayaquileños amidst the bustling port, the Guayas river, and the local architecture.

Continue the tour to explore the Municipal Hall and visit a local artisan market in the Malecon 2000, situated along the Guayas River. Admire the statue of the first mayor of Guayaquil, Jose Joaquin de Olmedo, the Civic Plaza, the Moorish Tower, and the famous Rotonda monument, which commemorates an important meeting between two of Latin America independence leaders.

Later on, continue by car towards the colorful and historic neighborhood of Las Peñas, an emblematic site declared as Cultural Heritage due to its charming architectural style. Located at the foot of Santa Ana Hill, the oldest street in the city, Numa Pompilio Llona, will transport you back to colonial times as you wander through narrow cobblestone passages, colorful houses, and vibrant art galleries.

On the drive back to the hotel, pass by important landmarks such as the Hospital General and the city's impressive main cemetery. The tour concludes with a drop-off at your hotel.
